

# NCAHSSP Planning Engagement Sessions

NCEM invites you to join us for an in-depth discussion regarding the North Carolina All-Hazards Sheltering Support Plan (NCAHSSP). These engagement sessions will center around the new NCAHSSP documents, and specifically focus on evacuation and shelter policy and coordination. We invite LEMCs to bring their expertise in these areas to help us refine this process.

We highly encourage you to attend the date that works best for you, even if it's not in your Branch. We would love to see a mix of Counties and Areas at each meeting to ensure we have the most well-rounded perspectives and discussions possible.
