

Active Shooter Incidents “Back to the Basics”

Managing the First 30 Minutes of Mass Violence Incidents

Overview: Considering the number of high-profile active shooter/active assailant incidents and mass shootings across the United States, this training is being made available to all first responders. Provides public safety responders and planners with an overview of what is required to successfully manage the first critical 30 minutes of a multi-agency response to a chaotic, fast-moving, and high-profile incident. The rapid and successful implementation of a strong Incident Command System (ICS) and Unified Command (UC) are recognized as critical tools in helping responders manage these incidents in your community.

Attendance: Current Law Enforcement, Fire Service, EMS, E911, Real-Time Crime Centers, Intelligence Analysts, and Emergency Management. For class information or questions, please contact August Vernon at augustv@cityofws.org. ***You must have agency I.D./credentials to register and attend.***

Date & Time: Thursday, May 15, 2025. 9:00 am to 1:00 pm (Registration from 8:30 am to 9:00 am).

Registration: First responders/public safety personnel registration at NC Training, Exercise, Response Management System (TERMS) <https://terms.ncem.gov/TRS/>
You must have agency ID/credentials to register and attend.

Location: Mary Alice Warren Community Center (MAWCC), 7632 Warren Park Drive, Lewisville, NC

Topics:

- Overview of Threats, Threat Actors, Threat Groups, and Threat Assessments
- Scene Size-Up, Command Post, and Initial Response Considerations
