

Civil Unrest Planning and Response Considerations for Public Safety

When: September 28, 2021
Two Sessions
Session A – 0830–1200 – PSX 8015-04
Session B – 1300–1630 – PSX 8015-05

Where: CPCC Merancas Campus
Belk Building
11920 Verhoeff Drive
Huntersville, NC 28078

Instructor: August Vernon

Attendance: Must be current member of Law Enforcement, Fire Service, EMS, Emergency Management, or Intelligence Analysts. Must have agency I.D./credentials to register and attend.

Overview: In light of continuing high-profile civil unrest and violent protests across the U.S. this training is being made available to credentialed first responders. Provides public safety agencies an overview of current and emerging threats and what is required to plan for and respond to a riot or violent protest in their community.

Topics:

- Types of Civil Unrest Events
- Current Threats/Threat Groups/Intelligence Sharing
- Autonomous Zones & Sieges
- Community Pre-Planning
- Fire/EMS Response Considerations
- Unified Response Operations
- Command, Control and Communications
